We'll fight for peace and honor for liberty and love,
For happy homes and kindred our energies will move.
Be sure you're right then go ahead and keep your powder
dry,
And when we face our enemies they'll put on wings and fly.

CHORUS.

Hurrah for our flag the Stars and Stripes forever:
When the time comes to act from duty we'll not sever.
When once aroused we never fail to stick up for what's right.
And though sweet peace we dearly love for peace we'll always
fight.

When we return victorious unto our loved ones dear,
We'll honor fallen comrades and shed for them a tear.
Then we'll renew our old time loves, we'll sing and dance with
glee.
We've fixed up things in proper shape and won a victory.

CHORUS.

Here's health to our friends and to our foes destruction.
The Star Spangled Banner cannot be hurt by friction:
"Old Glory" it will proudly wave for honor, truth and right.
And tyrants they will meet in us a Union in its might.
